## ON THE COVER

Bedford Porcelain Tile  
8" x 8" | 100506062

Create flair with styled tile. Patterns bring visual interest to a farmhouse-chic room. Make a statement wall or backsplash in a minimalist or industrial-style room. Moroccan motifs can add an exotic element to a room while geometric patterns can add dimension to modern spaces.

# TRENDING: MODERN STYLE

Popular modern looks are crisp, chic, and customizable with anything from a neutral tone to high-drama details. Clean lines, walls with dimension, and cool colors transition a space into the new modern.

## SOFT COLORS, SHARP LINES

Angles and colors define a modern space. Cool-colored tile in larger sizes help draw attention to more unique pieces like a picket mosaic backsplash. Play with geometrics for balance. A monochromatic color palette lends itself to a calming canvas that's not too fussy.

## DRAMA & DIMENSION

Flip modern style to the other end of the color spectrum with deep grays and pops of plum. The same principles of clean lines and minimal accents still exist but a warmer modern look has more drama. Glass mosaics, hand scraped wood-looks, and mixed metals add a touch of dimension.

# GO WITH THE GRAIN

The gorgeous look of wood is more versatile than ever before. Replace wallpaper with wood planks or get the look of wood in bathrooms and high traffic areas with water resistant wood looks. Keep it subtle or make it bold. There's an option for every room, style, and budget.

Hasley Manor Wood Plank  
Porcelain Tile
