INSTALLATION INSTRUCTIONS / INSTRUCCIONES DE INSTALACIÓN

1

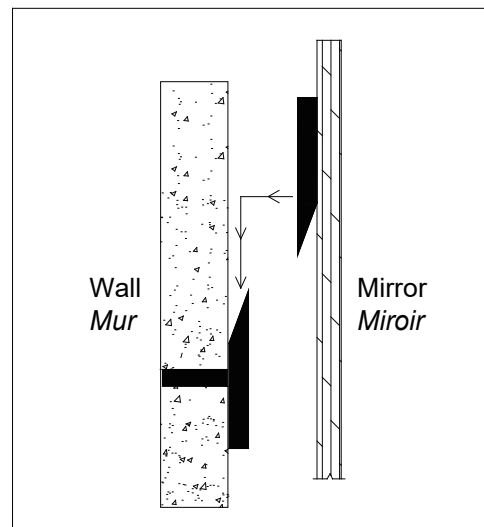

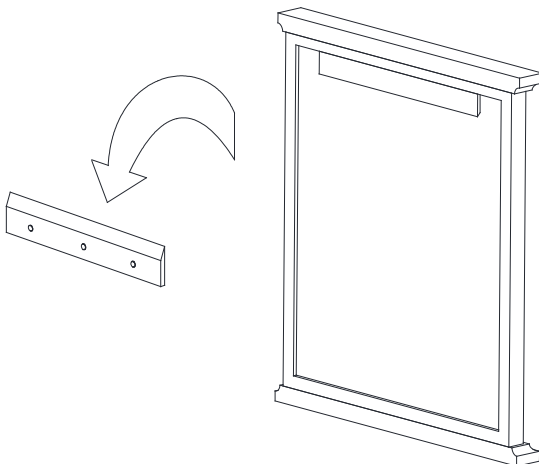

Remove wood cleat and screws from package.
Retire la abrazadera de madera y los tornillos del paquete.

Secure the wood cleat on the finished wall with screws. Make sure to hit wall studs or use provided wall anchors.
Asegure la abrazadera de madera en la pared terminada con tornillos. Asegure que golpee los montantes de la pared o use los anclajes de pared provistos.

2

Hang mirror on the secured wood cleat.
Cuelgue el espejo en el listón de madera asegurado.
