

OS5937-10

## Long Description

The Solution for Precision Cutting From cutting to sanding, scraping to chipping, this oscillating tool can do it all. The SKIL PWRCore 20™ Multi Tool is built for power and performance, and runs on the innovation of SKIL PWRCore 20™ lithium battery technology for longer battery life. This oscillating tool features the innovative Vibration Reduction System (VRS) which isolates the motor from the body of the tool to reduce vibration transfer and increase comfort, so you can power through hard cuts with ease. Plus—with variable speed control to finesse delicate or tough materials, constant speed technology to keep your grind consistent even through a harder material, and a soft start feature to get you started gently—you'll have control all the way to the finish.

## Key Features

- **OSCILLATING MULTI TOOL KIT**—Oscillating Multi Tool comes with 2.0Ah PWRCore 20™ lithium battery with PWRAssist™ USB port and PWR JUMP™ charger.
- **VIBRATION REDUCTION SYSTEM (VRS)**—Innovative isolated motor design offers 90% less vibration, helping you work more comfortably. (compared to SKIL models without VRS feature)
- **LONGER RUN TIME & BATTERY LIFE**—Industry leading PWRCore 20™ lithium battery technology wraps each cell with cooling material to keep it powering on for 25% longer run time and 2X battery life.
- **CHARGES IN 5 MINUTES**—autoPWR JUMP™ charges the battery from 0% to 25% in just 5 minutes, or 100% battery in 45 minutes (based on a 2.0Ah battery).
- **POWER ON THE GO**—Plug in to the battery's USB port wherever, whenever with PWRAssist™ Mobile Charging.

## Packaging Contains

1x Multi-tool, 35x Sanding Paper (14x60girt, 14x120grit, 7x180grit), 1x Sanding Pad, 1x Bi-Metal Blade, 1x HCS Wood Blade, 1x HCS Segment Blade, 1x Rigid Scraper, 1x Accessory Case, 1x 2.0Ah Battery, 1x Charger

## Accessories

OSA8001	18pc Oscillating Accessory Set
