Measurements are for outside sink dimensions

Brochure photos and sink displays should be used for size reference only as shape and finishes may vary from printed representation. ©2024 Floor & Decor trademark and logo are the exclusive property of Floor & Decor Outlets of America, Inc.

## EDGES

Edge examples should be used for reference only. The actual shape, size, and availability will vary by market. Please see a Floor & Decor team member for more information.

### FREE\* EASED EDGE

\*Eased edge is free with purchase of Quartz Tech.

The face of the edge will be a solid color that matches the overall background tone of the surface design. The surface's design pattern will NOT be present on the face of an eased edge.

Additional edge options are available at an additional charge.

## CUSTOMIZE YOUR COUNTERTOPS

1

### SELECT

Select the material and color that matches your own unique style from the design center.

2

### CHOOSE

Choose your edge and sink.

3

### MEASURE

Purchase your in-home measurement to schedule your first consultation.

4

### PURCHASE

After your in-home consultation you will be provided a final quote based on the measurements.

5

### INSTALL

Once the quote is paid in full, our professional fabricator installers will install your custom countertop.

Resistant to scratches, heat & stains

70% post consumer recycled glass

Lifetime Limited Warranty\*

Quartz Tech is an environmentally conscious choice, featuring 70% mainly glass recycled material. Using an innovative laser printing technology, which eliminates the traditional water intensive process, the environmental impact of Quartz Tech production is minimized.

While most quartz products typically contain around 35% recycled materials, Quartz Tech stands out with its 70% post-consumer recycled materials, positioning itself as a leader in sustainable surface solutions.

The sleek, modern 2cm edge both enhances aesthetic appeal and maintains the durability of the surface, making Quartz Tech the perfect blend of form and function.
