

# CLEANERS & SEALERS

## YOU CAN COUNT ON!

### SEALERS: WATER BASED ENVIRONMENT FRIENDLY

#### ADVANTAGES OF WATER BASED SEALERS

- Dry faster than solvent based sealers.
- Do not emit harmful fumes.
- Can be easily applied in spaces with poor ventilation.

#### MP90 ECO PLUS High Performance Penetrating Sealer

NATURAL  
LOOK  
(INVISIBLE)

- Invisible look.
- Can be used on all natural stone, engineered quartz, polished porcelain and grout.
- Makes everyday maintenance easy.
- Safe in food prep areas.

#### STONEPLUS ECO Matte Finish Penetrating Stone Enhancer

MATTE  
FINISH  
ENHANCED  
LOOK

- Sealer that increases the color of the stone with a matte finish.
- Protects all natural stone from dirt, water and oil stains.
- Excellent for countertops, inlays and backsplashes.

#### WET ECO Wet Look Sealer

GLOSSY  
FINISH  
ENHANCED  
LOOK

- Sealer that gives the stone an enhanced shiny look.
- Can be used on natural stone and terracotta.
- Protects the surface from dirt and stains.
- Ideal for kitchens, under barbeques and in high traffic areas indoors and outdoors.

### SEALERS: SOLVENT BASED CONTRACTOR APPROVED

#### FOB Xtreme Sealer

- Invisible look.
- Suitable for very porous materials.
- Can be used on stone, grout, concrete, quarry tile and terracotta.
- Protects surfaces against water, oil and stains.

#### MP90 Natural Look Penetrating Sealer

- Invisible look.
- Can be used on natural stone, engineered quartz, polished porcelain and grout.
- Makes everyday maintenance easy.

# CLEANERS & SEALERS

## YOU CAN COUNT ON!

### EVERYDAY CLEANERS

#### CLEANALL Neutral All Surface Cleaner

- Everyday cleaner for tile, LVT, wood and laminates.
- Safe for delicate surfaces.

#### STONECLEAN Natural Stone Neutral Cleaner

- Everyday cleaner for all natural stone.
- Removes cement, urethane, epoxy and pre-mixed grout stains left on stone after installation.
- Safe for pre-treated and delicate surfaces.

**When CLEANALL and STONECLEAN are diluted one capful per gallon of water they:**

- Do not require rinsing.
- Can be used in floor cleaning machines.

#### CLEANALL SPRAY Neutral Everyday Cleaner

- Everyday cleaner for all household surfaces.
- Countertop cleaner suitable for marble, granite and quartz counters.
- Perfect for bathroom and kitchen cabinets, office furniture and laminated surfaces.

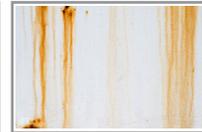

### HEAVY DUTY CLEANERS
