

STEP 1: PREP

PREP SETS THE FOUNDATION FOR A GOOD INSTALLATION AND ADDS DURABILITY TO YOUR TILE AND STONE PROJECT.

Self-Leveling

- NOVOPLAN® EASY PLUS**
- High-strength self-leveler for up to one inch
 - Smooths and repairs plywood and concrete subfloor
 - Interior
 - Commercial/residential
 - Must be used with **Primer T**

Primer

- PRIMER T**
- All-purpose Primer designed to enhance the performance and adhesion of self-leveling underlayment
 - Single-coat application for faster turnaround and lower installation costs

MAPECEM QUICKPATCH

- High performance concrete patch
- For patching interior/exterior concrete surfaces
- Natural gray to blend with existing concrete

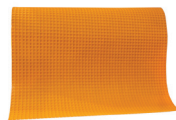

Crack Isolation

- MAPELASTIC CI**
- Quick-drying: Allows tile/stone installation after 30 to 50 minutes
 - Easily applied with roller or brush
 - Convenient and versatile: Bonds to a wide range of floor surfaces
 - No odor: Great for confined spaces

DITRA UNCOUPLING MEMBRANE

- Eliminates the main cause of cracked tile
- Waterproof - protects your subfloor

WHISPER MAT SOUND CONTROL MEMBRANE FOR CERAMIC AND STONE TILE

- Moisture resistant with antimicrobial treatment
- Anti fracture resistant to 3/8"
- Light commercial load rating
- Approved over radiant heated subfloors

Surface Prep

- ECO PRIM GRIP**
- Multipurpose primer used to prep surface for installation of tile over existing tile
 - Single-coat application for faster turnaround and lower installation costs

Waterproofing

- AQUADEFENSE**
- Waterproofing and crack isolation membrane
 - Fast drying
 - Easy application

KERDI WATERPROOFING MEMBRANE

- Schluter®-KERDI is a pliable, sheet-applied, bonded waterproof membrane and vapor retarder with limited crack-bridging capabilities

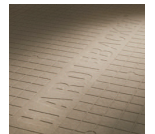

Backer Board

- DUROCK® CEMENT BOARD WITH EDGE GUARD**
- Underlayment for tile & stone
 - 1/2" typical for walls (1/4" typical for floors)
 - Floor & countertop
 - Interior/exterior
 - Screws are required
 - Good for high moisture; mold/mildew resistant

HARDIEBACKER® 500 – CEMENT BOARD

- .42" typical for walls (1/4" typical for floors)
- Good for high moisture; mold/mildew resistant
- Quick score and snap cutting method save time and money
- Screws are required

KERDI-BOARD WATERPROOF

- 1/2" and 2" boards available
- Eliminates mold and mildew
- Lightweight, easy to handle and transport

PREP TOOLS

- Goggles F&D bucket Knee Pads Painters Tape Backerboard Seam Tape Roller Tape Measure
- Sponges Protector Paper Scraper Screws Backerboard Knife Roller Tray Laser Level

STEP 2: SET

MEDIUM-BED MORTAR USED FOR 15"X15" AND LARGER

Medium-Bed Mortar

- ULTRAFLEX LFT – WHITE**
- Best-in-class non-sag mortar formulated specially for large format tiles
 - Floors/walls
 - Used for freeze/thaw, and fully submersible applications
 - Commercial/residential

Medium-Bed Mortar

- ULTRAFLO PLUS**
- Designed for large-format tile and stone 15" x 15" and larger
 - Floor application only
 - Interior and exterior application

Medium-Bed Mortar

- KERABOND T WHITE**
- A non-modified mortar used for large format tile and stone
 - Great for most interior/exterior residential and commercial wall/floor installations

THIN-SET MORTAR USED FOR UP TO 15"X15"

Thin-Set Mortar

- ULTRAFLEX 1**
- Used for most residential floors and walls for both interior/exterior installations.
 - Used on most types of marble, granite and natural stone
 - Good adhesive to substrate and tile

Glass Mortar

- ADESILEX P10 GLASS TILE MORTAR**
- Premium, bright white, non-sag mortar
 - Designed specifically for glass, mosaics, color sensitive and translucent stone
 - Must use Keraply for glass tile larger than 6"

SET TOOLS

The bigger the tile, the bigger the notch trowel. The bigger the trowel, the more mortar. See associate for details.

- Chalk Line Paddle Mixer Margin Trowel Tile File Spacers Blade Wet Saw
- Suction Cup Trowel Tile Nippers Leveling System Manual Tile Cutter Table Top Wet Saw

STEP 3: GROUT

Pre-Mixed Grout

- FLEXCOLOR™ CQ – 40 COLORS**
- Never needs to be sealed
 - Provides consistent color
 - Professional grade, ready-to-use quartz based grout
 - Saves time and money on install

Pre-Mixed Grout

- NEVERSEAL™ – 11 COLORS**
- Ready-to-use urethane grout that never needs to be sealed
 - Fast and easy install
 - Crack resistant
 - Commercial grade
 - Fully submerged applications

Performance Grout

- ULTRACOLOR PLUS FA – 40 COLORS**
- All-in-one grout replacement for sanded and unsanded grouts
 - For grout joint widths from 1/16" to 3/4"
 - No sealing required, color-consistent, stain resistance, nonshrinking

Pre-Mixed Grout

- FLEXCOLOR 3D – 10 COLORS**
- Ready-to-use grout
 - No sealing required, color-consistent, crack and stain resistant
 - Mold and mildew resistant
 - Nonsag properties for vertical backsplash

Pre-Mixed Grout

- DIMENSIONS™ – 9 COLORS**
- Ready-to-use grout that provides a unique reflective, modern finish to your glass and tile installations
 - Never needs to be sealed

GROUT TOOLS

- Sponge Bucket Gloves Cheese Cloth Low Speed Mixer Spacer Remover Margin Float Grout Float Caulking Gun

STEP 4: SEAL & MAINTAIN

PROTECT

Penetrating Sealer

- Invisible barrier that resists stains and moisture
- Preserves the natural look of material
- For all stones and grouts

Enhancing Sealer

- Invisible barrier that resists stains and moisture
- Enhances and deepens the look of material

Specialty Sealer

- 511 ANTI-SLIP**
- Penetrating sealer designed for anti-slip protection of all tile and stone surfaces
 - Will not alter the natural look of tile
 - Surfaces treated are less slippery

Grout Refresh

- GROUT REFRESH**
- Ready-to-use, water-based colorant and sealer for grout joints
 - Rejuvenates the color of grout joints

Stone & Tile Cleaner

- Daily Cleaners
- Ready-to-use Cleaners
- Concentrated & Heavy-Duty Cleaners
- Haze Remover

SEAL & MAINTAIN TOOLS

- Eye Protection Respirator Applicator & Tray Gloves Sponge Pack Applicator Bottle Brush Microfiber Cloth

Always refer to manufacturer installation instructions and technical data sheets prior to beginning your project. All products shown—as well as additional product options—can be found at flooranddecor.com or by calling Customer Care at 1-877-675-0002
