# YOUR SOLUTION & PARTNER

## SINGLE-SOURCE SUPPLIER

We specialize in offering high-quality flooring and commercial services directly to our clients by cutting out agents and distributors. This allows us to provide cost-effective solutions and a diverse selection, partnering with over 225 vendors spanning 24 countries.

We carry inventory for clients to spec large-scale flooring projects efficiently and conveniently. With over 200 warehouse showrooms, we supply clients with job lot quantities across the country no matter the project.

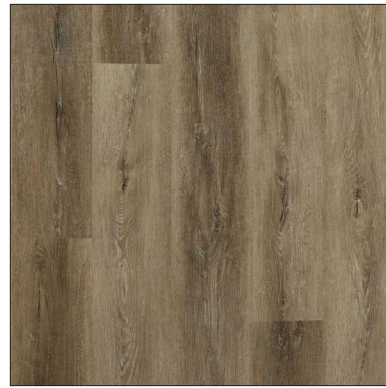

## DEDICATED ACCOUNT MANAGEMENT

We personalize service to meet the needs of every client we serve. Clients benefit from an on-call account manager who provides primary support with assisting projects and finding solutions to complete any job.

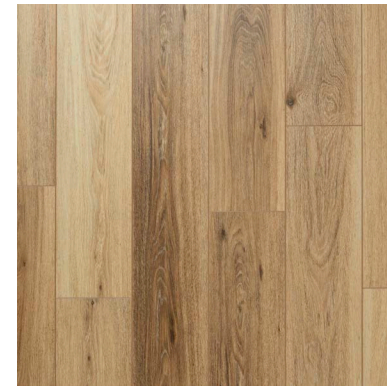

# UNLIMITED LOOKS & STYLES

Our exclusive inventory of flooring materials gives clients in-stock quantities they need to complete any project quickly and within budget.
